2.1 Responsibilities of Management (ROM)

Standard 1. ROM-1: The laboratory is easily identifiable.

Indicator 1-5		Max. Score	Weightage	Licensing Score	Grading Score
Ind 1.	The laboratory is identifiable with name on a sign board.	10	100 %		
Ind 2.	The laboratory sign board conforms to the prescribed local legal standards.	10	100 %		
Ind 3.	The laboratory is registered / licensed with the PHC.	10	80 %		
Ind 4.	Associated collection centers are reflected in the registration certificate / license issued by the	10	80 %		
Ind 5.	Signed valid MOU, showing linkage with any other laboratory or organization for referral of specialized tests, exists.	10	100%		
Total		50

Standard 3. ROM-3: Responsibilities of management are defined.

Indicator 7-13		Max. Score	Weightage	Licensing Score	Grading Score
Ind 7.	Those responsible for lab management lay down the laboratory's mission statement.	10	80%		
Ind 8.	Those responsible for management lay down detailed Laboratory Policy and Standard Operating Procedures (SOPs).	10	100%		
Ind 9.	Those responsible for management lay down emergency policy and Standard Operating Procedures.	10	80%		
Ind 10.	Those responsible for management approve sufficient laboratory budget and allocate the resources required to accomplish the mission.	10	100%		
Ind 11.	Those responsible for management establish the laboratory's organogram.	10	80%		
Ind 12.	Those responsible for management appoint the section heads in the laboratory.	10	80%		
Ind 13.	Those responsible for management support research activities .	10	100%		
Total		70

2.2 Facility Management and Safety (FMS)

Standard 4. FMS-1: The management is aware of and complies with the relevant laws, bylaws, rules and regulations, and facility inspection requirements under the relevant building and associated codes applicable to laboratories.

Indicator 14-16		Max. Score	Weightage	Licensing Score	Grading Score
Ind 14.	The management is conversant with the relevant laws and regulations and knows their applicability to the laboratory.	10	80%		
Ind 15.	The management regularly updates any amendments in the prevailing relevant laws and rules.	10	100%		
Ind 16.	The management ensures implementation of these requirements.	10	80%		
Total		30
